

Hanging Sneeze Guard

HSG

The hanging sneeze guard is a low cost, high grip aluminum snap rail system with a clean, simple, elegant look. The adjustable hanging clips slide along the top rail to match desired spacing. The clips feature both top opening for clear nylon line mount, and recessed pocket for S-hook suspension. The rails snap open and shut for quick graphic changes. Clear Vinyl, either unprinted or with printed graphics are available for a sleek, sanitary divider that is easy to set up, clean, and change.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.
