

SET UP INSTRUCTIONS

1. Assemble mid pole set by inserting one end of each pole into the other. Poles are bungeed together for easy assembly.

2. Slide mid pole into pocket trim of flag. Once mid pole is fully inserted, make sure both ends of the pole are exposed.

3. Insert base poles into both ends of the mid pole to complete pole assembly.

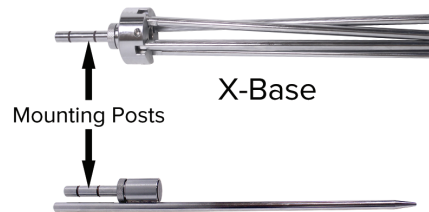

4. Tether bottom of flag trim pockets to tether point on flag pole to complete graphic installation. Slide flagpoles onto mounting posts of spike or x-bas to finish archway set up
