## PRODUCT DESCRIPTION

The Jolly Outdoor Banner Stand is the outdoor banner display solution. Stability is maintained with a molded plastic base that can be filled with water for extra weight. The Jolly is adjustable and can display banners ranging in sizes from 24" W x 63"H to 31.5" W x 71" H. Custom UV printed banners are produced on 13oz scrim vinyl, with a 1" double stitched hem top and bottom to reinforce the #2 grommets in each corner. Available in single sided or double sided banner display. The double sided option displays 2 single sided banners back to back.
