

JOLLY POP UP COUNTER

Product Description

Introducing our new portable Jolly Pop Counter. This new and exciting product is completely tool-free. The easy-to-setup counter is ready to use straight from the case with absolutely no tools or instructions necessary. Pull up on the counter top and within seconds, the frame will extend to its full height. The counter top can support up to 42 lbs. Graphics are printed on a multi-stretch fabric using a dye-sublimated printing process and is also pre-installed, so no graphic installation is required. When necessary, you can conveniently swap out your graphic for another, depending on your advertising or marketing needs. Portable displays have never been easier to set up than this.
