

MODCO 33 - 20 X 10

MODCO MODULAR EXHIBITS
 PRODUCT CODE: MODCO33-20x10G

PRODUCT DESCRIPTION

Modco® Modular Display 33 is a three-dimensional pre-designed backwall exhibit, ideal for a 20' booth space. Stylish and lively, this booth is built using tool-free perforated modular aluminum frames along with rounded corners. Multiple size frames connect using tool-less pin connectors making setup a breeze!

GRAPHIC REFERENCES

Place graphic over the front of the frame.

Begin inserting SEG beading at each corner.

Insert the silicone beading with the fabric folded over. The silicone beading should not be exposed.

Using your fingers, push both fabric and silicone beading completely into the extrusions channel.

Continue to push in the remaining silicone beading on each side.

Check the perimeter of the frame for any loose beading that hasn't been pushed in. Graphic should be taut.
