

MODCO 7A - TOWER

MODCO MODULAR EXHIBITS

PRODUCT CODE: MODCO7A-TOWER-G

Frame & Graphic

PRODUCT DESCRIPTION

Modco® Modular Display 7A is a three-dimensional pre-designed tower exhibit booth, ideal for a peninsula booth space. Stylish and lively, this booth is built using tool-free perforated modular aluminum frames and Louver frames. Multiple size frames connect using tool-less pin connectors. Perforations are completely covered for a flawless finish.

DISPLAY DIMENSIONS		78.5"W X 190"H X 39"D
GRAPHIC SIZES	SIZE	QTY
	40.05"W x 96.25"H	1

GRAPHIC INSTALL

Place graphic over the front of the frame.

Begin inserting SEG beading at each corner.

Insert the silicone beading with the fabric folded over. The silicone beading should not be exposed.

Using your fingers, push both fabric and silicone beading completely into the extrusions channel.

Continue to push in the remaining silicone beading on each side.

Check the perimeter of the frame for any excess beading that hasn't been pushed in. Graphic should be taut.
